

31st August 2018

Dear Parents,

We will be celebrating our school Feast Day on Wednesday 12th September (Week 8). As part of our celebrations we will be holding a Super School Morning from 9.00 am until 10.00 am. During this time the students will have an opportunity to participate in a fun activity that interests them, and these activities will be led by the members of our school community - and that includes you! Year 6 will be attending the Voice of Youth Semi Finals and will not be participating in the activities.

If you have a skill or talent that you would be able to share with a small group of students we would love to hear from you. The groups will be made up of either Infants or Primary students, grouped across the grades from K-2 or from 3-6.

Are you a great dancer or a wonderful artist? Do you want to share your passion for photography or card making or your skills on a musical instrument? Do you love to sing? Would you like to organise some games or modified sport for a small group of kids? Is this you?

If you aren't confident about leading a group, you may want to team up with another parent, or you may want to help out one of the staff with their activity. Please fill in the appropriate sections of the note below and return it to school no later than Tuesday 4th September.

Thank you in anticipation for your continued help and support. Let's celebrate the many gifts and talents within our school and give the students a great morning!

Amanda Gieriek

Please return no later than Tuesday 4th September.

Parent Name: _____ Child's Name _____ Class: _____

Contact Number: _____

Yes, I would like to lead a group.

☐

Type of activity _____

This would be best suited to: K-2 OR 3-6
