

6th August 2019

Dear Parents,

**YEAR 3 EXCURSION GIBBERAGONG EEC
Tuesday, 13th August 2019**

During the year the children have been learning about the geography and environments of Australia. This term they are investigating the rich culture and heritage of Australia's First Nation peoples. In Science this term we will explore the way the Earth is changed by natural processes. To support the learning in all of these areas, Year 3 will be visiting Gibberagong Environmental Education Centre (EEC) located at Bobbin Head on **Tuesday, 13th August**.

Please complete the permission note attached and return it to school by **Friday 9th August**. The cost of this excursion has been included in your School Activities Fee.

All students **MUST** be at school by **8:30am**. We will return by 3:10pm. The children are to wear their full sports uniform, including a hat. They are asked to bring an eco-friendly recess and lunch, and lots of water to drink. Sunscreen is vital. Students also need a raincoat, **no umbrellas please**. All items should be carried in a clearly labelled backpack, but **not** their school bag.

If you are available to help with supervision on the excursion, please complete the appropriate section of the form below. We are only able to take two parent helpers (two per class) due to seating on the bus, so please be understanding if you miss out this time.

Yours sincerely,

Mrs Amanda Gierek, Miss Rachael Menday and Miss Ida Orlandi
Year 3 Teachers
