PRINCIPAL'S MESSAGE...

Dear Parents,

Our students and staff are continuing with the hard work of our school and while there are still a number of weeks until we conclude the year, and many events and tasks to complete, I thought I would share with you a prayer I came across recently that focuses on the end of the year:

Christ, Teacher and Lord,
Bless all in this school
As we seek to end our year
With the grace you so generously provide.

We give thanks for the students
And the staff of our school,
And all who have contributed
To this year of nurturing and growth.
We affirm all the positive moments,
Of insight, of the excitement of learning,
Of accomplishment, of creativity,
Of laughter, of a sense of community.

Bless us and keep us safe
Amen.

Some important events for the rest of the term include:

Monday 12th December	End of Year Awards Ceremony

STAFFING 2017

Plans for staffing are now well underway for 2017. Following some reflection, Kate Delbridge has made the decision to retire. Miss Kate started at St Mary's in 1998 and at the end of next year she will have been employed for 20 years here. Kate's dedication and commitment to our school cannot be underestimated and the positive impact she has had on the lives of so many students and families will be remembered for years to come. In 2017 Kate will enjoy some Long Service Leave and then retire giving her time to enjoy travel, her garden and time with family and friends. The recruitment process is now underway to find a suitable Financial Officer for our school. We are planning a farewell and some celebrations to mark this significant event – details to follow.

After 9 years of full time teaching here at St Mary's Miss Rose Lopresti has accepted a position at St Patrick's Primary School at Mortlake. St Patrick's is a brand new school and Miss Lopresti will be part of the Foundation Staff – quite a unique opportunity. We will find a time to formally thank Miss Lopresti and wish her every success for her future teaching but I know you join with me in wishing her every success in this new venture.

Mrs Davidson will continue to be on Parental Leave during 2017. Miss Maree Elias will be traveling and teaching overseas from next year and Mrs Louise Caruana has decided to resign from her full time position to concentrate on completing her studies and traveling more in 2017. Mrs Caruana has been on leave this year. Mrs Sonia Fulwood, Miss Katarina Tomasic and Mr Edward Shaw have all accepted positions with us commencing in 2017. Miss Tomasic and Mrs Fulwood are well known to our community having worked here during 2016. Mr Shaw is an experienced teacher who joins our staff after working at St Patrick's Blacktown and most recently in Catholic schools in London. He has also worked casually at St Mary's. The process to complete our staffing is underway and a full staff list will be published in the coming weeks, once classes have been finalised.

CLASSES FOR 2017

Teachers will shortly commence the arrangements of class groups for next year. If you feel there are some important pieces of information we need to know about classes for next year, you are invited to write to Mr Blissenden so that this can be considered in placements.

St Mary's Newsletter....

FROM THE ACTING ENGLISH COORDINATOR...

As we approach the end of our school year, we, as teachers, spend a lot of time looking back over the work that your children have done. We see how much they have grown, both academically and physically, and we feel proud. Not of ourselves, but of the hard work and dedication of the students and of the growth they have made over the course of the year. I have been able to monitor their growth in reading and writing and it has been wonderful.

In order to maintain this growth and to cement these skills in your children you need to do two things over the long summer holidays;

- ensure that your children read and/or are read to **EVERY DAY**
- ensure that your children do some kind of simple writing task each week

These tasks could include writing the shopping list, sending a postcard, sending an email to a friend, writing a fun story with you or a friend, writing a diary of exciting holiday events, to name a few.

If you can keep your children in touch with reading and writing over the holidays you will be amazed at how much easier it will be for them to settle into the new school year.

For a great article about supporting writing at home head to:

I hope that you all have a wonderful Christmas and that Santa brings everyone at least one really good book!

BAND NEWS...

Is your child interested in joining the band next year? Would you like more information on the School Band program? The School Band is now taking enrolments for 2017 and participation is open to all students who are currently in Years 2-5. No prior experience is required.

Students will have recently attended a Concert by the band and Teaching Services Australia (TSA) staff demonstrating the variety of instruments available for tuition next year. They will also have received a green Instrumental Band Program-Introduction form. Students who return this tear-off form, Expression of Interest, will be given the opportunity to test a variety of instruments to help them find the one most suited to them. They will then be given a comprehensive Enrolment Pack with the results of this instrument test.

Learning an instrument in an ensemble is a great way to experience the social, educational and personal benefits that music and the arts have to offer. TSA is committed to providing a quality concert band program, with full band rehearsals, great value tuition and rent-to-buy instrument hire.

This green *Expression of Interest form* is due back to the school office within 5 days. You can download this note at www.teachingservices.com.au or for more information email info@teachingservices.com.au.
